

BLENDING INTENSIVE PROGRAMME (BIP)

# *BREAKING THE BUBBLE:*

A COURSE ON COMPARING EDUCATIONAL  
SYSTEMS WORLDWIDE

Expand your horizons! "Breaking the Bubble" is an exciting course on international and comparative education that takes you beyond the familiar. Explore how education systems and schools function in other countries through interactive and collaborative learning.

Learn from international experts, engage in discussions on your own research projects, and experience diverse learning formats, including on-site teaching, small-group sessions, and hybrid exchanges.

Join us and break your bubble! 🌐
